I mentioned at SMT that we'd likely get calls on this this week... Do we have a desk statement ready? If not, we should pull one together and run by Water and ORC..

Good afternoon Kelly. I just spoke with David Lewis at Save the Bay and he said I should talk to you about the Army Corps of Engineers upcoming decision on the Cargill site and whether it falls under the protection of the Clean Water Act. Do you have time to discuss with me today.
